Construction Notes

This cowl has two size options. The smaller size uses a shorter cable (16") and 2 skeins of Classic Elite Chateau/Chalet chunky yarn. It is 12" wide by 11.5" long. The larger version, the Inca Tweed Cowl, is worked on a 40"-47" cable and with 2 skeins of Berroco Inca Tweed chunky yarn.

Pattern

For Chateau/Chalet Cowl (smaller size)

Cast on 81 stitches onto size 13 circular needles, join in the round making sure not to twist any stitches, place a marker at the beginning of the round. Work the four row pattern repeat until you have just enough yarn to bind off.

For Inca Tweed Cowl (larger size)

Cast on 161 and join in the round making sure not to twist any stitches. Place a marker at the beginning of the round. Work the 4 Row Pattern repeat until you have just enough yarn to bind off.

4 Row Pattern

Row 1: Knit all stitches (This is the wrong side of your fabric)

Row 2: Knit 1, *K1B, Knit 1*, repeat from * to end

Row 3: Knit all stitches

Row 4: K2, K1B, *K1, K1B*, repeat from * to the last two stitches, K2

To "Knit 1 Below", put the tip of your needle through the center of the stitch below the stitch on the needle and slip off both strands at the same time. Make certain that you are going through the center of the stitch below and can see the two strands of yarn when pulling the yarn through the stitch.
